Dear

Thank you for referring this child to Early ACCESS, Iowa's early intervention system for infants and toddlers with, or with a high probability of, developmental delays or disabilities and their families. The focus of Early ACCESS is to support caregivers to help their children learn and grow throughout their everyday activities. This means Early ACCESS providers work with parents and other caregivers to help their children learn and grow.

The child's eligibility for Early ACCESS will be determined within 45 days from the referral. Please be aware that without signed parent consent, Early ACCESS is unable to share any information about the child or family.
